In DC, you can only get one of those two for \$10

Even a slice of pizza in DC makes Sbarro look good and economical. In fact don't try any of the pizza anywhere near DC.

Now when the Watergate Safeway was still open, that was cheap eats in DC!

Pro-tip:

It costs \$400+ in filing fees for Federal Court. If live in a Federal Circuit with a fair chance at an honest judge.

<https://www.law.cornell.edu/uscode/text/2/7>

<https://www.law.cornell.edu/uscode/text/3/1>

Enforcing either of these two will solve many problems. Including removing Dem House members, and ending the "runoff" in GA.

Only votes on Election Day count for congressional House & Senate seats. Not Ballots beforehand or after.

Same for when Electors can be selected.

Also, if you are surrounded by police, start chanting “Black Lives Matter!” They legally have to kneel.

By “techniques” do you mean “orders from higher-ups telling police to allow them to run rampant?”

A 5 gal bucket with trash bags and a pool noodle rim works as a camp toilet. Plus you can save your leavings to give to a public official that knew a million people were coming and refused to put out some Port-a-Potties. Obviously, that's a joke. Or issssss it?

Well over 74 million voted for him. So guessing 75 or even 76 is definitely on the table.

Say that 1/3 decided “Okay, time to be a cuck, lie down, and take the communism in the ass.”

75>50.

Say that 1/3 has delcared going to the protest.

50>16.

Say that only 1/3 ends up actually going.

16>5.

Then say that only 1/3 is coming armed.

That's still over 1,500,000 patriots, and that's just the *doomer* version.

This isn't even considering that many patriots are definitely going to bring spares, and still others will take weapons from incapacitated Antifa members.

We could be looking at anywhere between 2 million or 3 million patriots, and God willing even more.
